

March 19, 2020

To Our Roger Neilson's Coaches Clinic Family,

We hope you are managing during this incredibly challenging time as the world learns to navigate the Coronavirus (COVID-19).

We want to apologize for the delay in reaching out – like everyone, we've been monitoring the ongoing situation and hoping for a speedy return to normalcy. Unfortunately, with the uncertainty that the immediate future presents, we have made the decision to postpone this year's clinic to June, 2021.

While it is difficult to let go of the hope of celebrating our 32nd year together in Windsor, the health, safety and well-being of our extended friends and family is our primary concern.

Overcoming adversity is a part of every team's story and we're committed to doing our small part in assisting our coaching family through this challenging time. As a leader in coach education for over three decades, and in the spirit of Roger, we are working on new initiatives to help further your coaching craft, to provide a bit of entertainment, and perhaps most importantly, a mental break from self-isolation and social distancing!

Stay tuned for some imminent announcements. There will be no fees to participate, just a willingness to learn.

We look forward to connecting soon. We'd love to hear from you.

Wishing you and your families good health and safety.

All the best,

A handwritten signature in black ink, appearing to read "Marshall Starkman".
